

0W-8 MOTOR OIL

ENEOS worked in partnership with OEMs to create JASO GLV-1 0W-8 specifications.

Current production vehicles include:

- Toyota Yaris, 2020+
- Toyota Prius C, 2021+
- Mitsubishi eK, 2021+
- Nissan Dayz, 2019+
- with others on the way

ENEOS has blended 0W-8 for OEM customers for 9 years and launched ENEOS 0W-8 in Japan over two years ago.

This experience and technology has been used for **ENEOS X PRIME GLV-1 0W-8**.
